

VANGUARD WAY ASSOCIATION

MEMBERSHIP DETAILS (as at 24.05.23)

The 66-mile Vanguard Way from Croydon to Newhaven was created by members of the Vanguards Rambling Club and launched in 1981. You can find details of the route at vanguardway.org.uk.

Management, maintenance and promotion of the route was carried out informally by Club members for over 40 years, then we decided it was time to make this more formal by establishing the Vanguard Way Association in 2022. Although Club members are still actively involved, the Association welcomes as members anyone interested in walking the route, or in helping to manage, maintain and promote it, or just supporting our activities.

You can join simply by emailing membership@vanguardway.org.uk with your name(s) and postal address (plus phone numbers if you wish) and confirm the amount and date that you have paid.

Benefits of membership are shown on the next page.

We offer two classes of membership:

- Ordinary for £7.00 per year, applicable to individuals, couples and families living at the same address
- Life for £120.00 applicable to individuals only.

Of course, additional donations will be very much appreciated.

You can pay either:

- By online bank transfer (NatWest sort code 51-70-14, account number 78949092, Vanguard Way Association), or
- By cheque payable to Vanguard Way Association (send to Colin Saunders, 35 Gerrards Close, London, N14 4RH), or
- In cash to a committee member or at one of our meetings.

The Vanguard Way Association undertakes not to use any information you provide for purposes other than maintaining a record of membership and keeping members provided with information relating to the Association and the Vanguard Way. We also undertake not to pass on or sell your information to any other organisation.
